After checking into your hotel and a brief rest prepare for a half-day guided sightseeing tour of the city. You will get to visit two of the city's World Heritage Sites.

Kathmandu Durbar Square

This complex of palaces, courtyards and temples, built between the 12th and 18th centuries, used to be the seat of the ancient Malla kings of Kathmandu. An intriguing piece here is the 17th- century stone inscription set into the wall of the palace with writings in 15 languages. The Durbar Square is the social, religious and urban focal point of the city. There are also three museums inside the palace building.

Swyambhunath Stupa – The Monkey Temple

The stupa watches over the valley from the top of a hillock on its western side. The huge white-domed stupa is one of the holiest Buddhists sites and its establishment is linked to the creation of the Kathmandu Valley out of a primordial lake. Swyambhu is also known as 'Samhengu' and the Monkey temple because of the countless monkeys living in the premises.

Get mesmerized with the magical sight of the golden sun rising over white spires of the Annapurna range, Dhaulagiri and Machhapucchre (Fishtail Peak), including views of the beautiful the Pokhara Valley and Phewa lake. It takes about 15-minute walk down and 45 minutes drive to the hotel in Pokhara. Return to hotel for breakfast.

Later in the day we visit these sites,

Bindhabasini Temple

Lies in the center of religious old bazaar. It is dedicated to Goddess Bhagwati, yet another manifestation of Shakti. The park grounds offer a fine picnic and relaxing area.

Davis Fall

Locally known as Patale Chhango and in the southern flank of the Pokhara valley is where the stream flowing from Fewa Lake collapses and surges down the rock into a deep gorge, leaping through several potholes. This is hugely popular with tourists and locals alike.

Gupteshwor Cave

The revered Gupteshwor Cave is situated 2 kms from Pokhara airport. The entrance is right across from Davis Fall and the cave is almost 3 kms long. It has some big hall-sized rooms and some passages where you have to crawl on all fours. This cave holds special value to Hindus since a phallic symbol of Lord Shiva is preserved here in the condition it was discovered.

Thick forest lies on the adjoining southern slopes of the lake.

Seti River Gorge

Carved by Seti-Gandaki is one of the natural wonders of Pokhara. K.I. Singh bridge at Bagar, Mahendrapool & Prithivi highway Bridge near bus park, provides a perfect view of the river's dreadful rush and the deep gorge made by the turbulent flow of white water.
