Santorini Panorama – (Small Groups)

Description

Pickup from your hotel and start this full day tour. Embark on a mesmerizing journey through Santorini's iconic landscapes and its best-kept secrets. As dawn breaks, we gather at the heart of the island, ready to unravel Santorini's tales and traditions. We begin with the historic **Akrotiri Lighthouse**, standing as a beacon since the 19th century. Its grandeur offers breathtaking panoramas of the Aegean's endless blue. Let the horizon captivate you before we whisk you to the unique beauty of **Perivolos**. Here, the striking black sands meet crystal-clear waters in a dance of contrasts, a spectacle to behold and experience firsthand. From the shores, step into the time-capsule village of **Megalochori**. Stroll through its cobblestoned paths, past preserved bell towers and welcoming squares. The atmosphere is thick with tales from bygone eras, inviting you to get lost in its charm. As we leave its charm, ascend to **Profitis Ilias**, a vantage point that offers unparalleled views and serenity that words can scarcely describe. This enchantment continues at **Panagia Episkopi**, Santorini's oldest preserved church. Marvel at the richness of its Byzantine heritage, a testament to time and faith. As afternoon shades into evening, indulge in the island's vinicultural legacy. A **local winery** welcomes you to taste the notes of Santorini's volcanic soil in every sip. Let stories of grapevines and harvests unfold as the taste of Assyrtiko graces your palate. And just as the day reaches its crescendo, the village of **Oia**, bathed in golden hues, beckons. Stand in awe as the sun performs its final act, casting a radiant glow upon the village and melting into the horizon. Our tour ends after the sunset grand finale. Transfer back to your hotel.

Full Volcano, Hot Springs, Thirassia, Sunset in Oia, Guided Tour with Bus Transfers

Description

The bus picks you up from your village's meeting point going to Athinios port! The first stop of the excursion is the volcano of Santorini in Nea Kameni Island! There you will have a lifetime experience as you climb the top of the volcano, see the active crater and walk on its rims! The second stop is Palia Kameni Island, where you have the opportunity to swim in the hot springs of the Caldera created by the volcano's underwater power! On the way to Thirassia Island, the boat sails above underwater craters! On Thirassia Island you have time to eat in the small traditional taverns, swim in the crystal clear waters and visit the village of Manolas on the top of the cliff! Next and last stop is Oia where you disembark! At the picturesque port of Oia you can enjoy the view, take great photos and reach the village of Oia either on foot using the big broad steps or, in the traditional way, by donkey, the trademark of Santorini!
